

A close-up photograph of a woven basket filled with numerous skeins of yarn. The yarns are in various colors, including shades of grey, blue, and pink. The skeins are arranged in a somewhat circular pattern, with some in the foreground and others in the background. The basket is made of light-colored wood or bamboo. The text 'TURKEY EXPORT OFFICE' is overlaid in a white, sans-serif font, centered within a white rectangular border that frames the text. The background is a light-colored wooden surface.

TURKEY EXPORT OFFICE

LOCOMOTIVE SECTOR OF TURKEY

The textile industry is one of the locomotive sectors of Turkey with its employment, GDP share, existing investments and high exports. According to the Ministry of Economy, textile exports, which were about \$ 6.36 billion in 2007, were about \$ 10.11 billion at the end of 2017.

TEXTILE IN TURKEY

Our country has a share of 4.33% in world textile exports which is 254 billion dollars.

Turkey, finds itself top places in terms of the global textile market, competes with countries like China, India, Pakistan and Vietnam which have a large share in the global market despite the qualified labor costs thanks to the advantages of raw material and proximity to the market.
